

"Better Connection in China! Closer ties with you"

Our history with China is much longer than we launched the first regular commercial flight between Japan and China in 1987.

With over 25 years, in addition to our direct passenger and freighter flights in 11 major gateway cities, our expanding Air and RFS network is serving more than 30 cities in mainland China.

ANA Cargo delivers much and more business successes either in the air or on the ground.

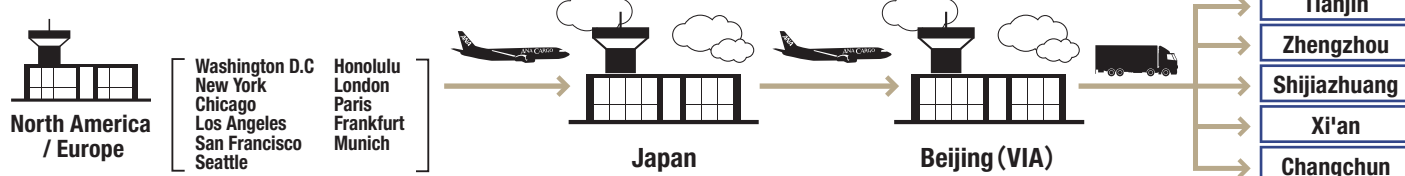

A Seamless and reliable connection pave your way to greater business successes.

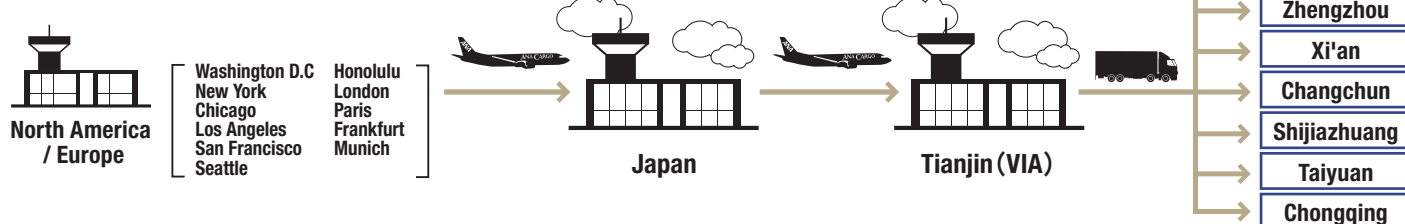

More destinations, more time-saving!
