Dear Customer

## ANA Cargo web-booking service more convenience!

Our Cargo's web booking system "eSPICA" will be even more convenient!

- Display available space and the price
- Selecting the flight and price indicated on the screen completes the reservation and eliminates the customer's waiting time.

(Excluding hazardous materials, super-heavy items, and special handling items)

This service will begin in Japan from October 1st 2020 and will be expanded to other areas in the future.

ANA Cargo will continue to make efforts to improve its transport services in the future.

If you have any questions, please feel free to contact our sales or reservation staff.
