

Newly Introducing “CSafe” Container ~ PRIO PHARMA - dedicated transportation product for pharmaceuticals ~

Thank you for your continuous support to ANA group.

Please kindly be informed that “CSafe” is to be newly added to the container lineup of ANA’s PRIO PHARMA, a dedicated transportation service for pharmaceuticals.

CSafe, a high quality container enabled to effectively and efficiently maintain specified temperature with its equipped high-performance vacuum insulation panel (VIP), is suitable for pharma transportation which requires strict temperature control.

ANA is to further enhance its service and the valued customers’ options or convenience by increasing the lineup of ACTIVE type containers
