

Dear Valued Customers,

ANA Cargo Inc.

## **Additional information to comply with ACAS program**

Thank you for your continuous patronage to ANA group.

Since we have announced “Announce of starting Air Cargo Advance Screening (ACAS) operation” on 20 March 2019, ANA Cargo informs that the procedure of direct transmitting ACAS data by the customer to U.S authorities.

We appreciate your understanding and cooperation.

### 1. Applicable Shipment

Any cargo destined to or transiting through the United State whose HAWB for ACAS is directly transmitted by the customer to CBP

### 2. Request upon reservation

For freight forwarders who will submit HAWB to U.S. authorities and check the ACAS status by themselves, please be followed the below requirements;

- ① Please submit the HAWB data to CBP in advance and confirm that received “SF: Assessment complete” responses from US authorities without problems before deliver the shipment to ANA.
- ② The following indication must be entered in the Handling information column on MAWB.

《Indication on MAWB》

•In case of directly transmitting ACAS

*(Name of Agent) has transmitted HAWB ACAS Data directly to U.S. authorities, and has received SF approval without any problems.*

•In case of directly transmitting both ACAS & AMS

*(Name of Agent) has transmitted HAWB AMS/ACAS Data directly to U.S. authorities, and has received SF approval without any problems.*

- ③ If you received a \*PER/PSN message from US authorities after the shipment delivered, please notify us as soon as possible.  
\*PER/PSN = SN、6H、6J、6I、7H、7J、7I、8H、8J、8I
- ④ ANA might charge to you for penalties and fines imposed on us by the US authorities if it is arising from customer’s negligence.

END
