Dry Ice (UN1845)	✓	—	✓	✓ *5	✓	✓	✗	✗	✓	✓	✓	—

" ✓ " indicates transportable, " ✗ " indicates NOT transportable

- *1 Even when the transportation is marked as transportable (✓), there are some DG Classes that are restricted for each airport. For more information, please refer to the following URL.
<https://www.anacargo.jp/en/int/regulations/embargo.html>
- *2 Large or heavy cargo may be subject to restrictions, so please check with our sales or reservation person in charge in advance when making reservations.
- *3 Only cargo originating in Japan can be transported.
- *4 Reservations for warehouse space at the arrival airport must be made prior to transport. Please check past Cargo News, our sales or reservation person in charge for reservation details.
- *5 UN1845 Dry ice (ICE) may be transported for cooling purposes only.
- *6 Only flowers (PEF) can be transported, whether at room temperature or cold storage.
- *7 Only lithium batteries that do not require DGD can be transported.
- *8 Only frozen cargo (FRO) can be transported.

For more details, please do not hesitate to contact our sales or reservation person in charge. Your kind cooperation and understanding is highly appreciated.
