

Dear Valued Customers

Cargo Handling of ANA Group's New Brand Airline = "AirJapan"

Thank you for your usual support for the ANA Group.

Please kindly be informed that the ANA Group's new brand airline, AirJapan, will commence its operations by inaugurating the flights between Tokyo Narita and Bangkok.

In accordance with this new operation, cargo will be loaded/handled on AirJapan's flights.

Cargo code-sharing between ANA and AirJapan shall be applied to the subject flights, while its cargo space will be sold by ANA and ANA Cargo.

For further details, please refer to the following.

ANA Group shall continuously make every effort to enhance the valued customers' convenience by utilizing the extensive network to the maximum extent. Your continuous cooperation is highly appreciated.
