ANAW#26-007

9-Nov-26

Dear Valued Customers,

Revision of “Fuel Surcharge” for ex-Japan Cargo
(16-Nov-26 & onward)

Thank you for your continuous support to ANA.
Please kindly be advised that ANA has applied the revision of "Fuel Surcharge" of International cargo to the MLIT (Ministry of Land, Infrastructure, Transport & Tourism).
Our revision of the fuel surcharge for international cargo from Japan is based on the semi-monthly average fuel price --calculated from either the 1st to the 15th or the 16th to the end of the month--immediately preceding the month of application.
Due to the said average price being USD$174.35/bbl for the period of 16Oct-31Oct2026, ANA has decided to revise the Fuel Surcharge as follows. Your kind understanding and cooperation is highly appreciated.

< NOTE >

1. Effective Date:

16Nov26 (Mon) ~ (AWB issuance base)

2. Applicable Fuel Surcharge Rate:

Based on the average fuel price (Singapore Kerosene) of USD 174.35/bbl for the latter half of October.
The USD 170 to USD 175 bracket will be applied for the Fuel Surcharge on international cargo originated from Japan.

（JPY per KG of Chargeable Weight）

Routes (ex- Japan to)	Current	**Revised**
Long Range (North America, Europe, Middle East, Oceania, etc.)	205	**198**
Middle Range Asia (Singapore, Thai, Vietnam, Indonesia, etc.)	124	**121**
Short Range Asia (Korea, China, Philippines etc.)	99	**97**

3. Conditions of Revision (& Abolition):

To ensure transparency, Singapore kerosene market prices will be used as the benchmark for this Fuel Surcharge revision. The Fuel Surcharge amounts effective 1Dec, and beyond, will be determined based on the average price of Singapore kerosene during the first half ofthe preceding month, in accordance with the attached Standard Index Table and will be notified by “ANA CARGO NEWS”.
